Henrik, j'ai été très
heureux de faire ta connaissance sur
ce très joli bateau, le freewinds.
Très grand bateau, où de beaux
trésors y sont cachés.
Tes œuvres artistiques sont très
esthétiques et je les apprécie beaucoup!
Tu es un vrai artiste Henrik, brave!
Continue sur le chemin de ton Art,

Dear Henrik,
Thank you for sharing
your ART. The effects
are very special. I feel like
there are so many colors that give
me the feeling of space and texture. This
is so cool. The movement in them also attracts
me very much. Keep creating your beauty. Love
